P-touch® PRO

Incorporating the outstanding features that made Brother P-Touch labeling so popular for home and office applications, the P-Touch Pro 9400 labeling system delivers stunning laser quality results for professional looking signs, tags and labels. With a full size keyboard, easy to read back-lit LCD display, a built-in automatic tape cutter that can produce Crack-and-Peel labels, and one-touch tape access hood for quick and trouble-free tape replacement, the P-Touch Pro 9400 is ready to tackle the most demanding commercial, industrial and business labeling applications.

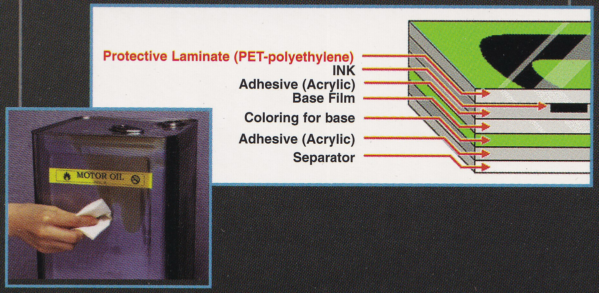
HARDWARE ADVANTAGES

Laminated Tape

Brother's patented tape technology utilizes a special adhesive and laminate which combine to form protected labels that are resistant to water, oil, chemicals, fading, abrasion, extreme temperatures and other environmental conditions.



Protective Laminate (PET-polyethylene)
INK
Adhesive (Acrylic)
Base Film
Coloring for base
Adhesive (Acrylic)
Separator
MOTOR OIL

Custom Stamp Making

Using optional stamp-making kits (SK-MB or SK-LB), you can create custom, pre-inked stamps for a variety of applications.

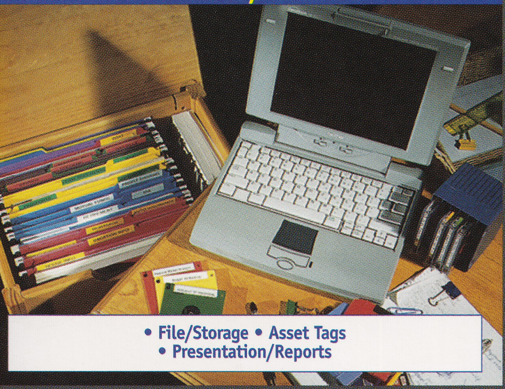
TRULY VERSATILE APPLICATIONS

Home/Office

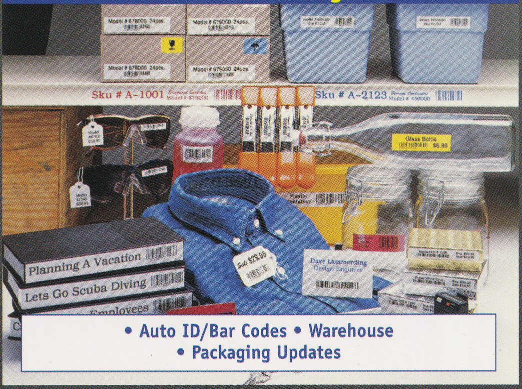


- File/Storage • Asset Tags
- Presentation/Reports

Business

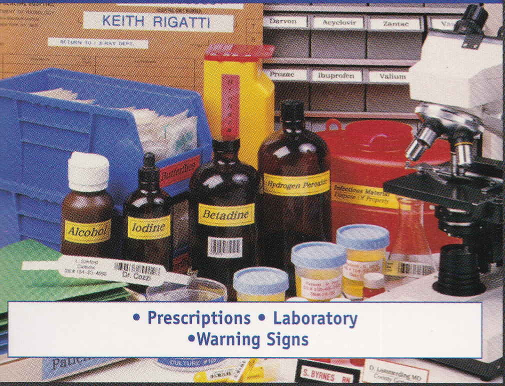
- Retail Shelf Tags and Signs • Packaging Information
- Customized Services

Inventory



- Auto ID/Bar Codes • Warehouse
- Packaging Updates

Pharmaceutical



- Prescriptions • Laboratory
- Warning Signs

Commercial

- Nutrition/Product Contents • Security/ID Tags
- Graphic Design Compositions

Manufacturing

- Model and Serial Number Tags
- Machine and Parts Label • Safety Signs

EXPANDED GRAPHIC CAPABILITIES

Clip Art Library

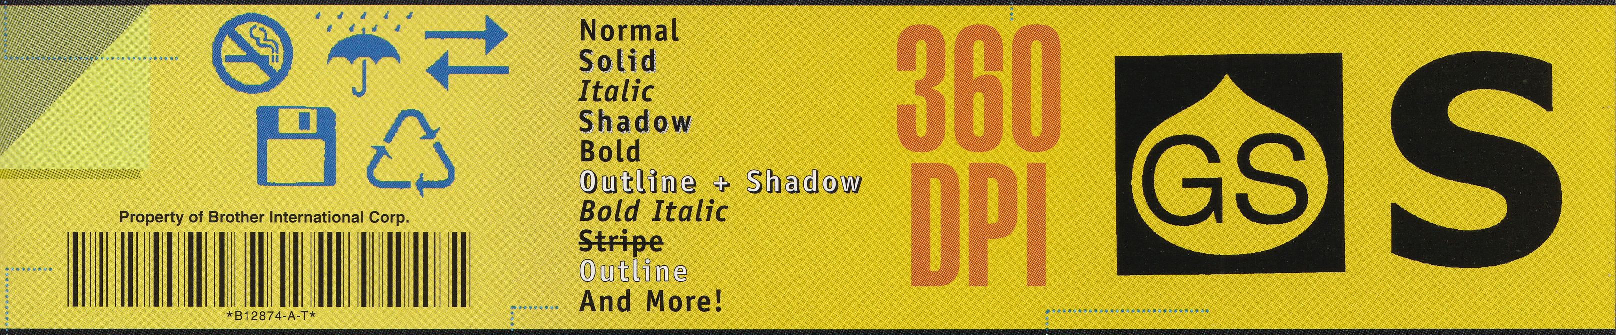
Comes with 475 different types of clip art, symbols, objects and sign pictograms.

Text & Styles

With 10 built-in fonts, 10 sizes, 14 styles, mirror, invert, vertical, and special effect printing options, you have virtually unlimited design possibilities.

High Resolution Printing

360 dpi high resolution printing produces smoother text and graphics for professional looking results.



Laminated Bar Code Labels

P-Touch laminated label technology reduces bar code compliance problems even when subjected to harsh and extreme industrial applications.

More Lines & Bigger Signs

Add up to 10 lines of easy to read text or create larger signs using the split feature which automatically formats your design up to 4 labels high!

Larger Printing Size

On the widest tapes, the P-Touch Pro 9400 can print text and clip art up to 72 points... large enough for bar codes, ID tags, signs, merchandising materials and more!
